Author Visit Programs

Through my presentations, I seek to inspire children to read, write, and make things their very own.

From Idea to Book

(Best suited for grades K-4) I'll guide students through my author's journey: from reading and writing (a lot!) to becoming a picture book author. We'll discuss how a book becomes a book, and how many people it takes to make a picture book. We'll wrap up with a brief Q&A and an interactive reading of my most recent title.

How to RWR Like a Picture Book Author

(Best suited for grades 4-6) Get ready to Read, Write, and Revise like a picture book author! We'll talk about ideas, the importance of reading, and the power of revision to turn a written idea into a beautiful story. I'll guide readers through an interactive revision and editing process, and we'll wrap up with a Q&A.

In-Person: \$250 each | Virtual: \$150 each
